

## 3D Wooden Photo Frame Magnets

Add Depth and Warmth to Photos

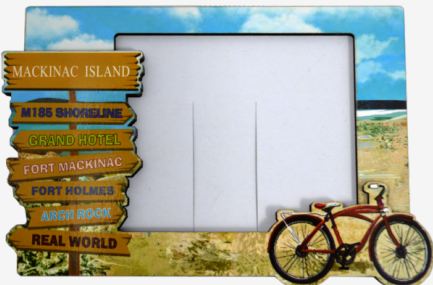

Our 3D wooden magnet photo frames are designed to bring a visually captivating and unique 3D effect to photos from your visitors' travels. Made from high-quality wood, these frames add a touch of natural charm, warmth, and sophistication to any display. Each frame is meticulously crafted with precise laser cutting and features a full backing magnet for a reliable hold.

### Why Choose Our 3D Wooden Magnet Photo Frames?

- Captivating 3D Design: Adds depth and dimension to visitors' photos.
- Reliable Hold: Full backing magnet ensures your frame stays securely in place.
- Custom Sizes: Available in two sizes: 2.5 x 3.5 inch or 4.0 x 5.0 inch.

### Other Details

- Customization Options: Dog bone labels and epoxy coating available.
- Packaging Choices: Multiple packaging options available.
